##### **Chief of Police, Thomas J. Harken**

"I have read many interrogation books and attended several classes. Your book, WE GET CONFESSIONS, is by far, the best I have read and most useful ! The first week after having read the book and using tactics learned from the book, I was able to obtain four written confessions on a forgery complaint ! There was little evidence and a confession was the only way to obtain the warrants. By the way, all plead guilty."
